THE SARCASTIC HULK

A NORMAL MAN, TURNED
INTO A RAGING BRUTE...

AND HE'S NOT EVEN KIND OF UPSET!

After being laid off from his research job, Bruce Banner was hit by a blast of Gamma radiation! This, combined with his inability to cope with everyday stress, turned him into...

I hope my radical research has no impossibly ill effects!

SARCASTIC HULK

"World not make Hulk angry, or depressed, or uptight and pissed off..."

Hulk on Life: "Lot of good stuff happen today: lost job, lost girlfriend, became giant green freak. Must be payback for lifetime of good deeds and hard work. Can't wait for tomorrow, maybe die."

Hulk on Friends: "Want be Hulk's friend? Hulk find room in hell."

Hulk on Betty: "Her too even-tempered to be antagonistic and self-righteous."

Hulk not smash... don't want to hurt villain's feelings.

Betty Ross

"I don't know what's worse: evil organizations bent on world domination, ...or the government!"

Betty on Food: Did you know there's a chemical in pizza that makes you vote Republican?

Betty on Hulk: Simply amazing! He's so anti-corporate... he won't stop talking about how much he hates DefenseTech.

Betty on Bruce Banner: Oh! Just another corporate lackey polluting the planet. What's worse, I hear he strangled a condor!

Betty on Dating: There's a secret organization called H.Y.D.R.A. that produces LA's smog!

Why don't you tell people about your evil plan to take over the world!!

***The Sarcastic Hulk* is an 11-minute cartoon where a less well-adjusted Hulk has had a harder time finding an outlet for his rage. The show's **adult humor** and **acerbic wit** are the ideal viewing for any **jaded 20-something** who wants to feel better about their life by comparison.**

Using old footage from the defunct '82 cartoon, ***The Sarcastic Hulk*** is styled after hit shows such as ***Sealab 2021*** and ***The Brak Show***, only **meaner and with less songs.**
